

Foot and Funny

3D Animation series

(52 x 1 min.)

A mix of 3D Animated Soccer generic Stars makes us relive different « actions » and situations. The caricatured players recreates in one minute a twisted excess experience that leads us to laugh. Edgy and realistic, these unique events are exaggerated to a point of complete laughter and craziness. Fast paced, these unique skits are ageless and fit in any time frame. They will make you smile and laugh every time.
