(20 x 22 min.) and (40 x 90 sec.) HD**

Hear all about it!

Merciless satire ridicules a panorama of movers and shakers, media and brands!

“Have notoriety: be ridiculed”

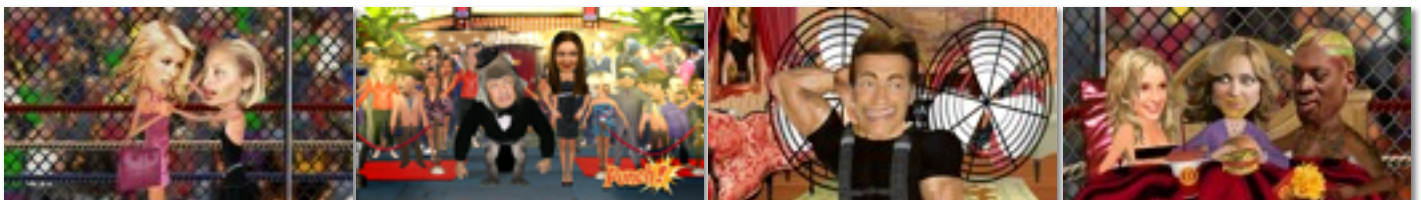

“PUNCH!” is comedy series that combines an edgy cut-out animation style with poignant parody, to slap a crack at everyone and everything previously held sacred! The action revolves around the backroom antics of the journalists of “Punch!” a celebrity magazine. Zany humor abounds in the journalists’ everyday lives as they cover outlandish reports and feature stories that parody international TV and film stars, trendy brands, rockers, royalty, politicians, and billionaires the likes of: Pamela Anderson, Tom Cruise, Madonna, and even the Queen. No one is safe from Punch!’s probing journalists. Sooner or later, everyone is laughing stock! Exaggeration and embellishment run rampant, but somewhere a gritty grain of truth prevails...

It’s Mayhem in the Making at Punch Headquarters...

At PUNCH’s office, a team of journalists head up by Editor and Chief Jordan, schmooze to get their mitts on show biz gossip by deadline. The race is on to break the next big scoop, drive magazine sales, and please the big boss. But nothing turns out as planned, as all havoc breaks loose in the employee’s personal lives and the reports they cover. Romance, jealousy, and backstabbing abound, as outlandish escapades spiral out of control. And all the while, Punch!’s journalists keep pumping out one wacky sketch after another...

Extra! Extra! Over 40 sketches for internet & mobile!

Each off-the-wall episode includes eight “Punch!” exclusive reports that mock international celebrities, brands, lives of the rich and famous, fake products, and worst jobs. Find out who’ll win in X-treme Combat, will it be Queen Elizabeth or the Poor Guy? Discover how Arnold Schwarzenegger’s brain works and learn how to increase your popularity directly from Paris Hilton. This, and much, much, more - in “Punch!”
