

# Tourism Vignettes

## 100 x 00:55

The world in an instant. Many of the world's most fantastic destinations available in 55-second format. Vignettes ideally suited to television and your mobile.

FRAGAR GT offers 100 travel destinations around the planet. These vignettes are available in a practical image-and-music format, so you can add narration in the language of your choice. FRAGAR GT provides an English-language script presenting the primary meteorological characteristics of the featured destination, in addition to useful information on must-see tourist attractions. Practical vignettes, digitized images, varied content.
