

W

2D animation. No dialogue.

156 x 30 sec.

On a small island, this stranded character named W with a seagull companion is going thru an eternal struggle of need for food versus being rescued, both W and the lonely seagull are constantly confronting hope versus aggravation. Every-time W is close to being rescued a frustrating desparate situation occurs. The survival and hope formula never loses its tension. No matter how close W gets to being saved, endless surprises comes to his fate. To make sure W never loses hope he is always presented with a startling positive attitude that is always put to test!
