

# Juliette en direct

## Webseries

(10 x 4 min) HD

Winner "Coup de coeur du public" Festival La Rochelle 2011

Juliette has just moved to a new town and now shares her bedroom with her sister Jessica, a 15 year old teenager. In this unique and colorful room, this series features her everyday adventures full of curiosities, discoveries and emotions.

Every Wednesday, the episodes present a scene from Juliette's life, inspired by situations that affect children from 6 to 8 years old. These episodes are designed and scripted in order to amuse them, push them to think and help them adapt to different situations.

To pursue the experience during the week, young people have access to Juliette's webjournal. Hidden in her closet, Juliette secretly shares her experiences through her webcam.

Shorter than the episodes, these segments are broadcasted on Mondays, Tuesdays, Thursdays and Fridays. Bingo, quizzes and scrapbook complete the experience of Juliette en direct.
