

# Lizard King

## The making of IMAX 3D Dinosaurs: Giants of Patagonia

Documentary

( 1 x 44 min. )

(2009) Join us as we explore the care and feeding of the world's most impressive beasts, delve into the myriad secrets of stereoscopic vision, get up to speed on the latest in digital imaging technology, and get up-close and personal with the visionary artists who bring extinct beasts to life.

Go behind the scenes, into the jungle, and meet the people whose passion is storytelling, and whose story is the gigantesaur. Forget about conventional talking heads, movie trailer selfpromotion and Entertainment

Tonight puffery. Prepare yourself for a surprising, irreverent and genuinely educational look at the vicissitudes of filmmaking on an epic scale. Learn about prehistory with the Imax team itself, meet an infant dinosaur hatched from a digital egg and destined for the big screen - enjoy a front-row seat as new technologies combine to create a primordial world.
