

Monkey Monkey Music

(1 x 36 min.)

Get off the sofa and dance and sing along to 15 catchy Monkey Monkey Music videos. Based on the critically acclaimed CD, little ears will perk up to fun, rockin' tunes that encourage movement and imagination.

From Jumping high, to exploring Chinatown, to flying around the country, Meredith LeVande's upbeat and educational music comes to life through both live action and colorful animation. An added benefit is the available lyric captions which help early learners to read.

Monkey Monkey Music videos will get kids moving. Between, "Jumping High," exploring "Chinatown," and discovering new places, kids 2-5 have a fun time learning. These videos reflect the experience of the preschooler's life which is why kids can't stop watching them, over and over.

15 video songs
