

W's Island

New online game

A new online game featuring the little hero from "W" is now available on the internet. Entitled "W's Islands", it features 7 mini-games that test the ability of the player in a variety of challenges. Each little adventure is located on places along a seaway River and many islands that lead you to a treasure hunt.

"Just like the television show, W must overcome an obstacle specific to each place", says 10th Ave producer Nancy Florence Savard. It is a game designed for the entire family that every one from 7 to 77 will enjoy!

W is an animated series featuring 156 episodes of 30 seconds, available in 3 seasons of 52 episodes. There is no dialogue.

Recently "W" has been in nomination for 2 GEMINI AWARDS with the Academy of Cinema and Television in the respective categories:

"Best program or animated series"
"Best text humor"

Running on various platforms, from television to mobile phones, « W » seasons play among others in Canada, broadcast on Teletoon in France on Canal J and Gulli, Cartoon Network Japan, Al-Jazeera as well as on RTBL in Belgium, on the internet in Hungary, the United States and UK and on mobile phones in Taiwan.
