2022

Through a succession of sexual conquests, we follow Simon in his disappointments, emotions and disarray in his search for a soul mate (or a one-night stand) on dating applications. Behind these encounters lie a deep loneliness and a need to feel desired. Simon can only count on the loyalty of his best friend, Jocelyn, and Siri to say "I love you" without panicking. Will he be able to find love in the age of smartphones and dating apps?
